

# KEEP YOUR HEART OPEN!

# BIOPONT LTD.

By offering products made OF CERTIFIED ORGANIC ingredients and fulfilling the INTERNATIONAL FOOD STANDARD requirements at higher level we do our best to contribute to a healthier life in a sustainable environment.

# SOON WE'LL BE 20!

Company was founded in 1997

To meet customers' requirements:

- we rely on our 20 years expertise,
- we invested in a new 4000 m<sup>2</sup> production plant,
- our production is meeting the requirements of IFS at higher level,
- our organic products are certified (HU-ÖKO-01),
- part of the raw materials come from our own 3000 ha territory,
- new recipes and private label packaging solutions are managed by our Development Team.

Biokontroll Hungária Kht (HU-ÖKO-01)

# ORGANIC EXTRUDED SNACKS

We offer food producers **raw materials** from our own organic fields, processed in our mills: gluten free corn grits and corn flour, wheat flours, spelt flours. Sunflower oil, cereals, sweeteners are also available in bulk packaging.

Distributors can choose from a large variety of **“Biopont” branded products**: gluten free extruded snacks and sticks, puffed rice and spelt slices, biscuits, flours, cereals, sunflower oil, sweeteners, juices, milk substitutes.

For those looking for innovative, new products for their **private label** brand, we offer a large variety of products and packaging solutions produced in our factory near Budapest: salty and sweet snacks, gluten free snacks, packaged raw materials, etc.
